

## HEY KIDS!

JOIN  
MOREY THE MOOSE KIDS  
SAVINGS CLUB!

### SAVINGS CLUB FOR KIDS

Natco Credit Union has a special savings club just for children. Our Morey the Moose Club is open to children 12 and under and is designed to make saving fun.

Morey makes saving money fun for the children by offering incentives to save, prizes, birthday cards, a special newsletter and more. They'll save money and earn dividends at a great rate.

When you open a Morey the Moose Club account for your children, you open a whole new world for them. Morey helps children learn good saving habits and financial responsibility. It's never too early to learn the importance of saving money.

Open a Morey the Moose Club account for your child, grandchild or any special child in your life.

### A REAL SAVINGS ACCOUNT FOR YOUR CHILD

Morey's Club members receive their own membership cards, passbooks and a quarterly newsletter. Your child will have a real savings account that pays dividends at a great Natco rate. Your child will enjoy watching the savings grow.

### SPECIAL PRIZES AND MORE!

You can open a Morey account for a child with as little as \$5 or you can transfer from an existing Natco account. Your child is rewarded with a prize each time he or she comes into the office and makes a deposit – encouraging your child to develop good saving habits!

Once the balance reaches \$500, you can transfer the money from the savings to a Morey share certificate which earns a higher yield. The balance grows faster and allows your child to save for college, a car or other worthwhile goals.

Morey club members will receive birthday greetings and a quarterly newsletter.

### JOIN NOW

If you have a special youngster in your life, help him or her learn financial responsibility with a Morey the Moose savings account at Natco Credit Union.

Just stop by any of our offices to join and pick up their first prize. It's one of the best things you can do for your child.

### WE MAKE IT EASY

When your child turns 13, we will transfer the money from his or her Morey savings account to a regular savings account. The funds will continue to earn dividends on their balance. If there are any Morey certificates open when the child turns 13, they will automatically renew as a regular 12 month certificate on the first renewal date following the child's 13th birthday.
